

PHOTOGRAPH AND VIDEO POLICY/RELEASE

The Board of directors has adopted this photograph and video policy regarding photography and videos taken during **MYART** performances and rehearsals. This policy is the result of safety concerns for cast and crew, and to allow **MYART** to continue offering the services of Nancy Hickey, *The Picture Lady*, for the benefit of all cast members and their families. This policy applies to photography by family and friends of our cast members. Your signature below indicates your agreement to comply with this policy.

1. All photographs taken of **MYART** productions are for the use of the individual cast member's families and friends only. Photographs may not be used or sold, regardless of profit, without the express written consent of **MYART** and Nancy Hickey, **MYART**'s official show photographer.
2. Cast members release **MYART** and its agents, employees, officers, directors and assigns from any and all claims the cast member or any third party may have, now and in the future, for invasion of privacy, rights of publicity, copyright infringement, defamation, moral rights, or any other cause of action arising out of the use of the photographs as described
3. Cast members or their families may not take photographs during the Performances. Parents may not hire outside professionals to photograph cast members in performances. Cast members should contact the show photographer if they have specific photographic needs.
4. No video or audio recording of performances are allowed, in order to stay in agreement with our royalty license.
5. Photography is prohibited in the backstage wing and the workshop areas. Cast and crew need to focus on the performance! This is also a major safety concern.
6. At no time may any patron occupy the seats assigned to the show photographer. These seats are clearly designated in the first row of the audience.

With your adherence to these guidelines, we can continue to offer family and friends the opportunity to photograph their children, and to have Nancy's high-quality, professional photographs and souvenir portfolios available to all cast members. Thank you for your cooperation.

Be respectful of all property, including props, microphones, sound equipment, costumes and set pieces.

BEHAVIOR
